JERRY KIDD MISSIONS OFFERING

TOGETHER LETS REACH THE NATIONS!

God's mission to make disciples in every nation, tribe, and tongue has united BMA churches for over 70 years. We believe this mission was given to local churches. Local churches are both the source and the goal of God's mission.

BMA Global Missions is committed to working with BMA churches to fulfill God's Mission around the world. TOGETHER, we partner to send missionaries that make disciples and train leaders to plant churches among their own people.

 Pray for our global family of 500 missionaries
