I serve alongside the Risner and Bagosi families in Oradea where we recently planted Agape Church. We have over 60 people attending already, and I am responsible for the children's ministry of over 20 kids and 10 volunteers. We are excited to reach the city of Oradea with the gospel of Jesus Christ.

This Eastern European country's main religion is Romanian Orthodox, but many young people are turning away from all religious groups.

Prayer Requests:

- Growth of the new church plant
- Visitors of Agape church to become committed members
- Several nonbelievers who are coming regularly to Agape

Praises:

- Our third church plant in Romania
- Numbers growing weekly
- Deep relationships and friendships being built here
