

AJ

CENTRAL ASIA

Where She Serves

- Central Asia
- Preparing to live among an unreached Muslim people group (~150,000)

Ministry Focus

- Language & Culture Learning
 - Gaining fluency in the national language
 - Learning the people group's Mandarin-based dialect
- Relationship Building
 - Living among the community
 - Building trust and long-term relationships
- Church Planting Foundations
 - Laying groundwork for a future indigenous church

Spiritual Context

- Ethnically Chinese Muslim population
- Deeply shaped by Islam and traditional beliefs
- Only 0.04% identify as believers
- No known churches among this people group locally

Current Goals

- Achieve language fluency for clear communication
- Establish secure, sustainable presence
- Prepare for long-term gospel work
- See an indigenous church one day take root

Pray For

- Language learning and cultural understanding
- Spiritual openness and softened hearts
- Protection and wisdom in daily life
- Future church planting efforts
