

DERRICK & MICHELLE BREMER

+ Charlotte & Charles

FRANCE

Where They Serve

- Alpine regions of France, focusing on smaller towns and rural communities

Ministry Focus

- Discipleship formation, God-directed sending, and gospel reproduction
- Relational evangelism rooted in patience and consistency
- Building meaningful connections before engaging in deeper gospel conversations

Discipleship & Church Development

- Developing disciples who make disciples (2 Timothy 2:2)
- Equipping leaders for ministry and strengthening the church (Ephesians 4:12)
- Supporting and establishing biblically grounded, gospel-centered churches (Acts 2:42)
- Extending the gospel through multiplying disciples and churches (Matthew 28:18–20)

Spiritual Context

- Highly secular, post-Christian culture shaped by skepticism and personal autonomy
- Widespread spiritual indifference, yet underlying emptiness and search for meaning
- Evangelical believers typically represent less than 1% of the population
- Many areas lack access to a biblically sound, gospel-preaching church

Current Goals

- Invest in individuals who will multiply disciples and leaders
- Establish and strengthen local churches
- Lay groundwork for long-term gospel impact in France and the broader francophone world

Pray For

- Endurance and perseverance in long seasons of slow ministry fruit
- Hearts open to the truth of the gospel
- Deep, trust-based relationships that lead to meaningful conversations
- Faithfulness, patience, and hope in spiritually resistant contexts
