## ZAMBIA

### Where They Serve

- Southern Province of Zambia
- Serving across multiple rural districts, including highly neglected communities

### Ministry Focus

- Church Planting & Village Outreach
  - Church services, Bible studies, and house-to-house evangelism
  - Youth and children's ministry, counseling, and personal discipleship
- Community Development
  - Educational support, healthcare initiatives, and sustainable projects
  - Ministry designed to meet practical needs while introducing biblical truth
  - Partnership with local leaders and international mission teams

### Spiritual Context

- Mix of Christianity, traditional African religions, Islam, and secular beliefs
- Common blending of Christian language with indigenous customs
- Deep economic hardship often limits access to education, healthcare, and discipleship
- Many churches lack trained leadership and biblical resources

### Current Goals

- Plant churches across 15 districts of Zambia's Southern Province
- Train and equip local leaders through theological education and practical ministry training
- Strengthen churches to remain biblically sound and self-sustaining

### Pray For

- Spiritual growth and biblical understanding among new believers
- Strength and wisdom for local leaders
- Provision and endurance for the Phiri family
